

## KERRY TRAPNELL

CAO, Aletheia Health Partners, Inc.

**Kerry Trapnell** has over 25 years of rural healthcare experience in various leadership roles such as CFO, CEO, and Consultant. These roles have occurred in Critical Access, Acute Care, and Post-Acute Care hospitals. His focus has centered around financial turnarounds through service growth and revenue generation, to keep much-needed healthcare in rural communities. Kerry recently led the charge for the first successful Critical Access Hospital conversion in Georgia in nearly 20 years. His past work has brought recognition including, CEO of the Year and Hospital of the Year, as well as Georgia's Community Star from the National Organization of State Offices of Rural Health. His hospitals have also won several awards for patient quality, including the top 10% in the nation for patient outcomes. He has also served on numerous community and non-profit boards. Kerry currently serves as **Chief Administrative Officer** for **Aletheia Health Partners, Inc.**, offering strategic advisory services, interim leadership, and hospital management to rural hospitals.
